All team members are experienced in childcare, hold a Paediatric First Aid qualification, Local Authority Safeguarding training and an up to date DBS check. If you have any questions regarding our team, please do not hesitate to ask.

Opening times: We are open every weekday during term time excluding INSET days from 7.30am until 8.45am. Your child(ren) can be dropped off at any time between these times, but food is only served until 8.25am. Children should enter Breakfast Club via the main entrance only. Please could all parents/carers ensure that they sign their child in as this is a vital method of ensuring the safety of the children in our care.

Fees: The cost of the sessions will be £5.50 in advance and £6.00 on the day. Siblings will receive a 50p discount. Fees will need to be paid cash in advance or if you are booking on the day you will need to bring your fee payment with you.

Bookings: In order to book in advance, you can obtain a Child Information and Booking form from the school office and return it to them for collection by Lucy McAdden. You will then receive an email confirming your sessions and how to pay your fees.

Child Information Sheets: Please fill in these forms with as much detail as possible and return to the school office before the first date your child will be attending Breakfast Club.

General:

- Please enter Breakfast Club through the Main Entrance.
- It would be really useful if you could supply us with some extra information about your child that you think may be of relevance to us, for example any additional needs, behaviour issues, interests, food preferences etc. This will help us to accommodate their needs where possible.
- We are always open to new ideas and suggestions or thoughts regarding Breakfast Club as we do appreciate your feedback. Likewise, if you have any problems or questions to do with Breakfast Club, please do come and speak to us.
- We offer a range of activities, mainly quiet ones, arts and crafts, homework table, outside play and much more. This is because it's early and we aim to let the children go to school in a calm manner!
- We offer unlimited breakfast such as toast, cereal, crumpets, various spreads and drinks which is served until 8.25 am. This will change and is flexible as the needs and preferences of our children change too!

KIDMORE END BREAKFAST CLUB

Aims of Breakfast Club

To provide good quality childcare for the children of Kidmore End School. We can take up to 18 children in a session and we have experienced and enthusiastic staff. We aim to provide a nutritious and filling breakfast which will prepare your child for the school day. We are committed to providing equal opportunities for play and participation and we will ensure that your child(ren) have a safe and happy time at Breakfast Club.

As a new service, we will be encouraging the children and parents to give their feedback on the service we provide which enables us to make necessary changes or continue as we are if all is satisfactory. We will listen to the needs and preferences of the children and parents and try where possible to meet those needs for example particular foods on offer. We will encourage the children to use Breakfast Club as a social opportunity and at the same time to learn about the benefits of healthy eating.

We will provide unlimited food and will encourage all children to eat and drink something providing they arrive by 8.25am. We will provide a range of healthy food such as cereals, toast, fruit, crumpets and various spreads. Again we will rely on the feedback of the children to establish their preferences as they do change! Food cannot be served after 8.25 as we will then need to clear up and ensure the learning zone and main hall are available for school activities.
