

# Make an escape plan

V3.0

Sit down with your family and make a fire escape plan together so you all know what to do if there is a fire in your home.

## Write down your family's action plan for:

- If there is a fire
- If the planned escape route is blocked

## Drawing your escape plan

Mark the location of the **smoke alarms in red**, your **escape plan main route in green** and your **second escape route in blue** like the example below.

You can remove the escape planner page from the book by cutting along the dotted lines and display your family's escape plan in your home.

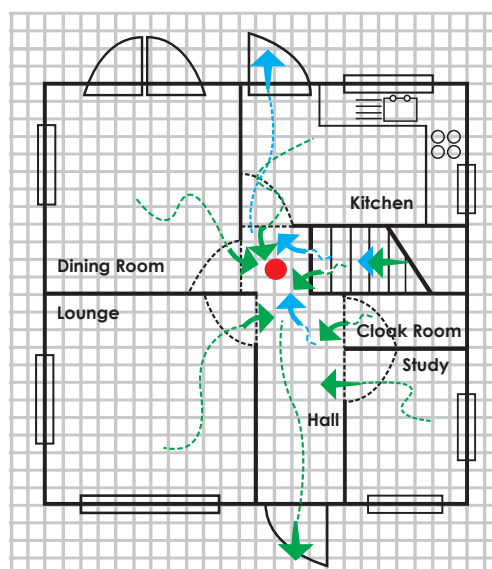

Visit [www.365alive.co.uk](http://www.365alive.co.uk) for guidance on how to make an escape plan and what to do in an emergency.
